The non-refundable waitlist fee is \$25. This fee only applies if moorage is not immediately available and your name is placed on a waitlist. This administrative fee is not a deposit and will not be applied toward any of your moorage fees in the future.

Applicant agrees to keep the marina office advised of any changes in address and contact information. When moorage becomes available we will notify you by email and follow up by telephone if there is no response to the email offer. If we are unable to reach you, or you fail to accept our offer of moorage in a timely manner {seven (7) days}, your application is forfeited and your name will be removed from the wait list without further notice.

Prior to move-in, Seattle Parks and Recreation requires a signed moorage agreement, proof of ownership, proof of insurance, a vessel currently registered with the State of Washington or registered with the US Coast Guard and the first payment prorated to the end of the quarter. Upon completion of the moorage agreement and receipt of these items, you will be issued keys, parking permits, and encouraged to read the SPR Moorage Rental Handbook posted on the website:
www.seattle.gov/parks/marinas

Only the applicant signing this application will have rights to moorage at a Seattle Parks and Recreation moorage location. The slip for which you have applied will be for the benefit of the below named/signed applicant, his/her spouse/valid domestic partner, minor children and/or recorded owners on title or registration.

This application only applies to the vessel size and characteristics stated above. If you decide to moor a larger or smaller vessel and a different size slip, please submit a Change Request Form. You will be placed in the cue on the waitlist for that sized vessel.

Your vessel must fit the assigned slip in order to retain moorage. It is important that the vessel size listed above is accurate.

Permitted watercraft includes vessels being used as a means for transportation, recreational boating or yachting which are designed for and capable of navigation on open waters.

It is understood that once your boat is placed in a slip or space at an SPR marina, you have read and agree to the SPR Park Code of Conduct and SPR Moorage Rental Handbook.

By signing this application, I agree to the above conditions.
